

### **Summary of Amendment**

(a) Applicant withdraws claims 1-5 under 37 CFR 1.142(b) as being drawn to a non-elected species and elects to prosecute claims 1-6, and new claims 12-24. Applicant withdraws claims 1-5 without prejudice or disclaimer and reserves the right to reintroduce the claims if a generic claim is found allowable or in a divisional application at a later date.

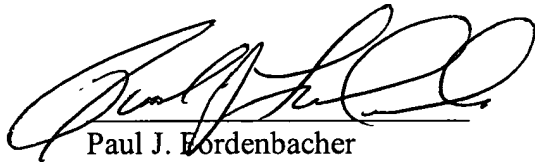

Applicants respectfully request consideration of new claims 12-24.

(b) Applicant has amended Figures 1B, 1C, and 5 to correct for informalities.

(c) Applicant has amended the disclosure to address the informalities regarding reference numbers 152a-c, 154 and 157.

Respectfully submitted,
